

RICHLAND COUNTY

POSITION DESCRIPTION

Position Title: AEMT (full time)

Reports to: EMS Service Director

Date: December 9, 2014

Hours Per Week: 40-48 (16 & 24 hr shifts)

FLSA Status: Exempt

Pay Grade: 7 -\$10.92-\$11.42

PURPOSE OF POSITION

The primary purpose of this position is for a full time Advanced EMT or Intermediate Technician to transport both emergency and non-emergency patients and in rendering emergency medical care and life saving measures within the AEMT Scope of Practice, established by the State of Wisconsin.

ESSENTIAL DUTIES AND RESPONSIBILITIES

The following duties are normal for this position. These are not to be construed as exclusive or all-inclusive. Other duties may be required or assigned.

- Responds to both emergency and non-emergency calls being dispatched by the Richland County Sheriff's Department. Work Shifts will be 24 and 16 hours depending upon the shift rotation.
- Obtains information from the patient, relatives or by-standers concerning history of illnesses or injury; evaluates the nature of the emergency and patient's condition and determines extent of injury or illness.
- Provides the necessary care and treatment of the patient to include cardiopulmonary resuscitation, airway management, bandaging, splinting, administering oxygen, treatment of shock, administer approved medications and other emergency care along with advance life support (ALS) measures in accordance with established medical protocols and the Wisconsin Scope of Practice for an AEMT.
- Prepares patient for transport and continues to monitor the patient's condition/vitals during the transport and if necessary apply additional interventions to improve or stabilize the patient's condition.
- Communicates with hospital emergency department personnel to inform them of patient en route to hospital and relays information concerning nature and extent of the patient's injury or illness, vitals and all interventions performed.
- Provides care during inter-facility transports to nursing homes, CBRF units, MRI Center or specialty care hospitals.
- Ability to effectively perform triage functions during a mass casualty incident.

- Check ambulances daily to detect malfunctions and to ensure efficient operation. Clean and restock ambulance after every call, conducts inventory of equipment and supplies; performs minor maintenance on ambulance vehicles.
- Complete WARDS Report (Wisconsin Ambulance Run Data System) at the completion of each call or run reflecting data required for medical documentation of the care rendered, insurance, Medicare, Medicaid, and other legal purposes.
- Perform QA/QI functions assigned by the Service Director to ensure that patients are receiving the highest level of care and that all established medical protocols are being followed. Provide positive, constructive feedback to all staff in regards to quality improvement.
- Fulfill the role of training officer; develop and facilitate the monthly training session.
- Attends in-service classes when available to broaden knowledge and skills in the care and treatment of patients; attends other training programs offered by the State and County to include Centre Learn Modules and refresher courses.
- Assist in the cleaning and orderly care of the station and EMS lounge.
- Works with the EMS Service Director, Medical Director and all paid on call personnel to promote and maintain harmonious working relationships, to provide quality emergency care and treatment of patients and the safe and efficient transportation of the seriously ill or injured patients to the appropriate hospital for advanced medical care.
- Perform other related duties as assigned.
