Discussion of Formulation of Strategic Plan

It was decided to divide the Strategic Plan into 2 Time Frames:

Strategic Plan for next 18 months- July 2016 through December 31, 2017

Strategic Plan for 5 Years—January 1, 2018 through December 31, 2023

And to develop 4 Components for Analysis:

- Stabilizing Ambulance Services /Revenue**
- Ambulance Garage/Remodel Current Space**
- Outreach to Surrounding Communities**
- Sustainability**

Next 18 months

Stabilizing Ambulance Services/Revenue

- Continue recruiting volunteers and On Call Staff
- Continue with 2017 contract with County and Towns with fees based on \$150 per 911 call
- Develop a 2018 budget based on adding 2 paramedics to the staff
- Develop a contract with towns, villages and City of Richland Center that is based on per capita

Ambulance Garage/Remodel of Current Space

- A new ambulance garage was stated by the director as the most important component as we move forward
- Discussed options for consideration

Outreach to surrounding Communities

- Keep monetary amounts to other services the same for 2017
- Look at ways to increase training opportunities for surrounding communities
- Research ways to do volume purchases of supplies with surrounding communities

Sustainability

- Research the feasibility of adding Para Medic Services
- Have conversations with the State
- Have conversations with the Richland Hospital
- Have conversations with the surrounding ambulance services and Towns

5 year Strategic Plan 2018-through 2023

Stabilizing Ambulance Services/Revenue

- **5 year contract with towns, villages and Richland Center based on per capita and allows for adjustment in fees after year 3.**
- **Add para medic services**

Ambulance Garage/Remodel of Current Space

- **Purchase/Rent appropriate space for size of ambulance and provides sleeping quarters for both male and female staff**

Outreach to surrounding Communities

Sustainability
